**BHMI Co-Founder and President Dr. Lynne J. Baldwin Honored by
Midwest Women Entrepreneurs Collective for Leadership in Technology**

OMAHA, Neb. – November 21, 2025 – [BHMI](#), a leading provider of back-office payment software solutions, is proud to announce that its Co-Founder and President, Dr. Lynne J. Baldwin, has been honored by the [Midwest Women Entrepreneurs Collective \(MWEC\)](#) for her exceptional leadership, innovation, and entrepreneurial achievements in the field of technology.

Dr. Lynne Baldwin was [honored at the MWEC's pioneer awards celebration](#), in partnership with [Women's Entrepreneurship Day Organization \(WEDO\)](#), on November 20, 2025. She was recognized with two other trailblazing women that are driving progress and innovation across the Midwest business community.

"Dr. Baldwin exemplifies the spirit of innovation and leadership that continues to shape the technology landscape," said [Pamela Finn](#), Founder of the Midwest Women Entrepreneurs Collective and WEDO Ambassador. "Her achievements at BHMI and her commitment to mentoring others make her a true role model for women in business and technology."

As Co-Founder and President of BHMI, Dr. Baldwin has played a pivotal role in leading the company's growth and establishing it as a respected force in the payments technology industry. Under her leadership, BHMI has developed pioneering back-office software that supports some of the world's largest financial institutions and payment processors.

"I'm deeply honored to receive this recognition from MWEC," said [Dr. Lynne J. Baldwin](#), President of BHMI. "Entrepreneurship and technology are powerful catalysts for change — and when women support and inspire each other, we accelerate that change in remarkable ways."

This honor reflects Dr. Baldwin's enduring dedication to innovation, mentorship, and community leadership — values that continue to guide BHMI's culture and success.
